Could not be taken up as the required funds were not deposited by the Banavar minor mkt. & that the DOR of the said mkt. has been addressed with a request to credit the mkt quota to enable the work being taken up

4 It is also reported ~~[illegible]~~ that no estimate has been prepared for the 3rd Stage Drainage work at Banavar

30/12 I will put up the Fwd. for sanction by the C-E for the D.B on his letter dtd 31/12/46

5. Refer MC 88-42 (1-2) & MC 77-43 (184-9) pointing

3/1/47 The tenders for the work were opened more than 2½ years ago & it is likely that the same tenderer may not do the work for the rate quoted by him & fresh estimate may have to be prepared & tenders called for afresh.

6 It is not clear why the Sanitary Engineer kept quiet for such a long period without bringing the fact viz the omission in respect of the Banavar Minor mkt to credit of the required amount for the III stage of the Drainage scheme to the notice of the Govt. or the D.C. Hassan sooner. A copy of the C-E's letter dtd 31/12/46 will be sent to the D.C. Hassan for information & necessary action.
